George,

Good morning.

A homeless person had lived near the burned-out house at 866 North Edgemont. I don't see him around anymore, but he left trash on the parkway in front of that house. Could the Hollywood Clean Team come by and clean it up?

In front of [1016 N. Heliotrope Drive](#), there is a bunch of trash on the parkway along with a mattress and chair. It's hard to believe that someone sleeps there at night, so I thought I'd ask you if the Clean Team could clean that up also.

Thanks, as always,

Priva Priva

Hi Priva,

I believe the 1016 location is actually an encampment. This would have to go through the regular encampment cleanup process, and cannot be addressed by the LACC Clean Team.

I would have to check out 866 N. Edgemont and alert LACC about doing a cleanup there.

Thanks for keeping me posted!

Best,  
George
